“ *Bill was a great all around guy. I have some great memories about Bill during high school at Tahlequah. He and Mary were a really great match. I love them Both. Bill took up wrestling in high school and really surprised everyone with his strength and quickness. He was a really good friend that will be missed by those he touched. God bless you Bill.*

“ *I read about Bill's passing in the Tahlequah paper. I was in THS Band with both Bill and Mary. Bill was solid; always there, always ready. We used to tease him by calling him 'Bill Byrd' since Mary was bigger than him. He was always good natured about that. I guess he knew something that we didn't. Rest In Peace, Bill.*
