“ *Still can't believe you're gone!!!
There's nothing I could of dreaded telling Nick more then your passing.... Nick has went and talked to your Gma since you've been gone, we took Nathan a Paw Patrol outfit for his birthday, Nick has video chatted with your babies a few times since you've passed... I know you're with everybody that loved you daily, but one thing is for sure.. I will always miss hearing your police siren go off outside Pops' apartment every time you stopped by. We could always tell when it was you!
Nick & I love and miss you beyond measures, but we'll see you again one day!
Until that day comes, fly high and watch over all of us down here.
We need you today and every other day as well!
You're loved & dearly missed, Zac!
Love always, Nikki & Tawni.*

“ Zac was a good guy. I always adored his and Cara's willingness to stick it out. Come together fo Cara and the kids. Halle, Abby and Nathan lost their daddy, and Cara lost her best friend and love of her life. The summer She and I were pregnanat with Nathan and Nadine we camped a lot together... Nearly every weekend. He love his friends and family. It's such a tragedy. Much Love Zach... RIP homie

“ I hardly know what to say, I am so sad over the loss of Zach. He was always a very kind and polite young man. Every time I seen him,he would compliment me on something just to make me smile. I know he loved his family very much, all of them, because he told me that on several different occasions. Zach you will be missed by many, until we meet again RIP. Kelly McCurley
